About Us

"I love what I do!! Weddings are a celebration of romance, beauty, and love."

As a florist and designer, I feel very privileged and blessed that a bride should ask me to help her make her wedding dreams and ideas come true. My team and I always aim to offer our brides the very best quality service and attention to detail.

My rule is simple. I always build a relationship with you in order to make your dream wedding come true in the best possible way. The journey we go on is special and I want my couples to feel confident and trust that I will deliver the wedding that they wish for.
